

# APPLICATION STATUS TRACKER

If you wish to be informed about changes in the status of your application, you can set up a **status tracker** in your profile on the Information Portal for Foreigners. This way, you will automatically receive an email notification once your application has been decided. You will not need to check the status of your application manually.

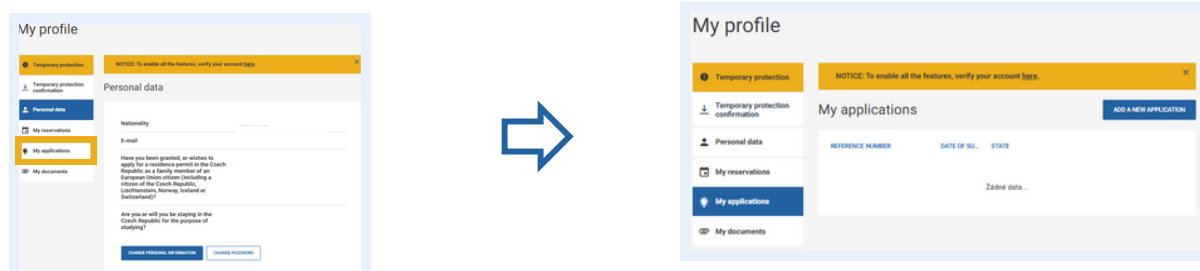

- 1** At the homepage **select your language**, then click on **LOG IN**.

- 2** After signing in, click on **MY PROFILE**. From the menu select **MY PROFILE**.

- 3** Click on **MY APPLICATIONS**. Click on **ADD A NEW APPLICATION**.

- 4** Enter the **REFERENCE NUMBER** of your application. Then confirm it by pressing **ADD**.

If you do not know the reference number of your application, contact the Client Centre for Providing Information to Foreigners at **+420 974 801 801** and select option 0.

- 5** A message will appear confirming that the application has been successfully added. Click the **ARROW** on the right side of the field to view details of your procedure. You will receive an email notification when the status of your procedure changes.
